## DETAILED ACTION

### *Response to Amendment*

1. The reply filed on 7-9-04 is not fully responsive to the prior Office Action (See 37 CFR 1.111) because of the following omission(s) or matter(s): the indication of the statutory class of invention for claim 34. A further elaboration is given below with opportunity for applicant to indicate such on the record before the next examination of the prior art.

Claim 34 recites "system" which is vague and indefinite since the common meaning of the term does not clearly determine the statutory class of invention. Since the term system may encompass more than one statutory class, there is a requirement for an indication on the record as to what statutory class of invention the "system" claim belongs to (see MPEP 2106.IV.B). The statutory provision for this requirement may be found in 35 U.S.C 101 that recites the statutory classes of invention.

2. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
